

“Proud Member of Eco-Friendly Auto Recycler Network”

CASH FOR CLUNKERS DISPOSAL PROCESS

Foss Auto Recycling is a fully licensed auto recycler and an authorized affiliate of Green Vehicle Disposal.com. We will provide your dealership with a seamless eco-friendly disposal process for you CASH for CLUNKER vehicles.

Why choose Foss Auto Recycling Auto Wreckers a Green Vehicle Disposal Network Affiliate?

- All Cash for Clunkers must ultimately be processed by a licensed auto recycler or licensed scrap processor (shredder).
- **Foss Auto Recycling** is a Licensed Auto Dismantler, Licensed Auto Dealer and registered NMVITS participant and practices eco-friendly dismantling processes.
- **Foss Auto Recycling** anticipates becoming an approved disposal facility once the final program rules have been finalized.
- Processing older scrap vehicles is our core business. We have the expertise and technology to enable your dealership to process these vehicles as efficiently as possible.

How will your dealership benefit by using Foss Auto Recycling?

- **FREE** vehicle pickup within 24 hours of notification.
- Assign vehicles via our website or by phone anytime.
- **INSTANT PAYMENT** for vehicles upon vehicle pickup.
 - **NO** auction processing fees
 - **NO** waiting for vehicle pricing

A key element to the Cash for Clunker program is to help improve our environment. Please make the best choice by choosing **Foss Auto Recycling**, an eco-friendly Licensed Auto Dismantler to help you process your Cash for Clunker vehicles!
